Case No. 09-cv-05235-MMC

**STIPULATED NOTICE OF  
 WITHDRAWAL AND UNOPPOSED  
 MOTION ~~AND PROPOSED~~ ORDER  
 FOR LEAVE EXTENDING PAGE LIMITS  
 ON CLAIM CONSTRUCTION BRIEFING  
 RE '700 PATENT; ORDER THEREON**

Date: N/A  
 Time: N/A  
 Location: Courtroom 7, 19th floor  
 Before: Hon. Judge Maxine Chesney

1 The parties have reached an agreement with regard to claim construction briefing with  
2 respect to Fairchild's U.S. Patent No. 8,179,700 ("the '700 patent") to resolve an issue that has  
3 arisen over their differing interpretations of the Court's order as to the procedure and schedule for  
4 such briefing. Specifically:

- 5 • Fairchild understood the Court's order and the local rules to require Fairchild to file an  
6 opening brief, Power Integrations to file an opposition brief, and Fairchild to file a reply  
7 brief (three briefs in total on the single patent with five disputed terms) (Fairchild  
8 understood the "s" after "brief" to be typographical error in direct conflict with local rules  
9 and parties' negotiations.).
- 10 • Power Integrations understood the Court's order [D.I. 170] incorporating the parties'  
11 proposed scheduling order [D.I. 163 at 13] to provide for both parties to file opening briefs,  
12 both parties to file opposition briefs, and both parties to file reply briefs (six briefs in total).

13 To resolve this dispute, the parties, by and through their respective counsel, have reached the  
14 following agreement:

- 15 • Power Integrations agrees to and hereby does withdraw its opening claim construction brief  
16 regarding the '700 patent [D.I. 198-199]; Power Integrations will instead submit a  
17 responsive claim construction brief on Monday, March 25, 2013. Fairchild will then submit  
18 its reply brief on April 1, 2013.
- 19 • To permit the parties to more fully address the issues and the relevant technical background,  
20 Power Integrations hereby requests the Court to allow Power Integrations up to an additional  
21 five (5) pages for its responsive claim construction brief and allow Fairchild up to an  
22 additional three (3) pages for its reply brief on claim construction. Fairchild does not  
23 oppose this motion. Fairchild only seeks the additional three pages of briefing to the extent  
24 Power Integrations is granted an additional five pages of briefing.
